CONTENTS & EDITORIAL

HELLO Lady B fans and welcome to issue #2 of B MAGAZINE!

Let's face it, who ISN'T a Lady B fan? She's the International Foot Goddess we all love, from one side of the globe to the other. We drop in reverence to her perfect little slutty form every day and her feet, toes and tits haunt our sleeping and waking visions. Every part of her body is a wanker's dream come true...

Sorry... I got a bit carried away there... My point is that this May issue of B MAGAZINE is another chock-full tribute to the Queen of Foot Fucking and Fetish, made with her valuable permission and full editorial control.

So grab your cocks, stroke your pussies - basically do whatever you need to do to ensure you give the Goddess what she deserves this month. It's time to do your duty.

Leave your feedback in the chat room online or email Lady.B@Legsworld.info.

SLAVE

Every month Lady B herself selects a special shot from Legsworld.net, especially for B MAGAZINE readers to gift their thick monthly tributes over.

In this exquisite selection chosen by Her Wet Pussy Highness for this issue, the Goddess' delicate little slut toes are painted a regal purple, with her royal feet adorned in the glittering 'Cum Jewels' - the tanned toe cleavage and wrinkles perfectly designed to catch buckets of the stuff.

So what are you waiting for? Leave them completely dripping and upload the mess-covered feet to the website. She demands it. Now grab and tug and sniff...

BOUTIQUE B

HEELS, EVENING WEAR, NIGHTWEAR, NEGLEE & ACCESSORIES

When I arrive at the Boutique, Lady B is waiting for me. Blindfolded and dressed for a groping, she balances on high pink heels that she's chosen especially to try out on my cock.

I lift her pink silk slip, exposing her firm, round butt and stick my erect penis between her cheeks, sliding it up and down and pushing her into the wall as she struggles to balance on the heels. "Oh you have such a strong cock!", she exclaims, as I squeeze her tits and inhale her unique fragrance, grinding my stiff rod against her until I pump my first big load of the day into her crack and it dribbles down her tight little slut asshole.

Once I have sucked her asshole clean, I get on with cleaning heels and Lady B gets changed for her first member session of the day. As per his request, she slips her red toes into glitzy gold heels and leads him around the Heel Studio by his wiener until he can take no more and blurts his entire nutsack all over her tootsies and the tiled floor. 'You'll have to lick that up', she tells him, 'Make sure you clean my toes first before cleaning the floor. And you might have time to choose another pair of heels and fuck my feet once more.' The look of shock and happiness on his face is priceless and I love to see it. Boutique B is all about making dreams come true.

At our lunchtime meeting Lady B is dressed elegantly in long red gloves, black pantyhose and lingerie to expose her nipples and pussy and shiny red pumps. She plays with herself through the pantyhose during the meeting, until I can see that her crotch is sopping wet. Unfortunately we have to stop discussing the important business matters and I rip off her nylons and begin hungrily slurping the fresh, warm juice from her pussy. 'I made this just for you', she says, as she reaches out a silk-gloved hand to slowly play with my tingling balls and slide up and down my long, throbbing shaft. As she pulls me to orgasm, I expose her tits and paint them with cum. She loves it, and the others attending the meeting do too.

I try to get some work done after lunch, but Lady B is free. So she starts teasing me with her bare feet as she often does. She just needs them to be wrapped around dick 24/7. They are addicted to it. I suck on her feet while I work and when my cock is twitching and dripping, she gladly finishes me off with a foot job. Walking off laughing and leaving me with a lap full of cum. 'Hey!' I shout to her. 'You can't walk around here with cummy feet, it's dangerous!' 'I know', she says. 'But there is a guy in the shop who says he will lick it off for 50 euro!'

In the evening, Lady B has a tit-fucking session booked, dressing glamorously and in some of her best jewellery to take a big cock between the boobs. The guest grabs and squeezes them around his prick and pumps them vigorously as the Lady sips her champagne and takes off her mules as she kneels so as not to damage them, like a properly trained, big-boobed slut.

After having her tits fucked for two hours, we decide to take the rest of the night off and go out clubbing with all the staff.

After the club, Lady B and I take a cab back to Boutique B in the early hours. I fuck her tired, danced-out feet the whole way in the backseat as the driver gazes at us in his rear view mirror until I explode all over her feet and his seats, smearing her drenched toes into the leather upholstery. He thanks me as we get out, 'I have never seen such wonderful feet get covered in so much cum in all my life', he says. 'No problem,' I say, 'All part of the job', and Lady B giggles drunkenly. Inside the Boutique, she eases her cummy, sweaty feet out of her sparkly high heels and my mouth goes to work on them, cleaning them as thoroughly as possible.

The work never stops at Boutique B!

PEDI PROBLEM CORNER.

Lady B knows what it's like to have problems. For starters, how do you run the world's best foot and heel fetish website while jerking multiple cocks over your feet AND still look like a smoking hot sex object at all times? Luckily, she gets it all done somehow and *still* has the time to answer the personal problems of Legsworld members. Relaxing after her regular pedicure - preparing her slutty little toes for the next sucking and fucking session - Goddess Barbara provides the only advice you'll ever need. If you have a problem that you need help with, email Lady.B@legsworld.info.

Dear Goddess B,
I am a highly trained chef at a restaurant in Spain but recently my job has suffered because I keep thinking about you until I am painfully erect and have to leave my station to jerk off - sometimes up to five times a night. My work is suffering and my manager thinks I am depressed. What should I do?
Danke, Pablo

Hello Pablo,
You should not let your worship of me affect your work. You have paying customers and need to keep earning money so you can pay your Legsworld membership, buy my used heels and stockings and tribute me. Never forget that although your customers want to eat your food, you are only worthy of eating my ass for breakfast, lunch and dinner. I like to be eaten out as often as possible by slaves like you. I am tastier than anything you could ever cook. You need to stick your nose into my asshole and suck my pussy deeply until my juices are running down your chin. Do it!

Kisses, Barbara x

Dear Goddess B,
I have been married for years and am a longtime Legsworld member. My wife is very boring and doesn't know I am on your website jerking off every night until the early hours. I pray she could be more like you - I would love to see her playing with random cocks and making strange men cum but she is not interested in sex at all and it is making me very sad. Please help Goddess.
Thanks, Antonio

Hi Antonio,
It is true, everyone knows I love high heels and cocks and am always ready for any random Legsworld members who want to use me as I totter past them with my toes out and my tits wobbling. If your wife is not understanding you should let her do what she wants and devote your cock to me only. You should ejaculate only for me and make sure every drop of cum in your balls is reserved only for me. If your wife ever asks for sex, tell her you are tired and you will know you are a good slave - keeping your cock and cum only for your Goddess. Look how I work these pricks with ease. Let me own yours too!

Kisses, Barbara x

"How does my pussy look in these heels?" Lady B presents herself in more diamond jewellery to all cummers. Showing off her sweet, shaved pussy in black heels, with fingernails and toes painted to match, she's ready for you.

The feet slip out of the mules and the pussy slips out of the panties. Delicious. Fuck the feet or lick the lips? The Goddess gives you two options.

Tits out and they need a cumming. That mouth looks hot too. The legendary Lady B with yet another two examples why she is the world's #1.

She likes to keep herself wet. But you need to help her with her feet. She needs cum even while she tans. So spray her up!
