## EDITORIAL

Hello friends,

It's good to be back. Another month rolls around, which means another new issue of B MAGAZINE and another opportunity to beat yourself blind to a suitably slutty collection of pics from the Queen of The Internet, Lady B. Who am I kidding? You do that every day at Legsworld.net right? Of course you do. You're only human.

B MAGAZINE readers are of different countries, different backgrounds and different ages. But, if there's one thing we all have in common, it's our devotion to Goddess B. It's amazing to think that such a woman as Lady B actually exists. Even more amazing is that she blesses us with the opportunity to worship her, pay tribute to her and ogle her perfect body and feet 24/7. How lucky are we?

You know what to expect by now - more B than you can shake a very hard stick at. And believe me, I've tried.

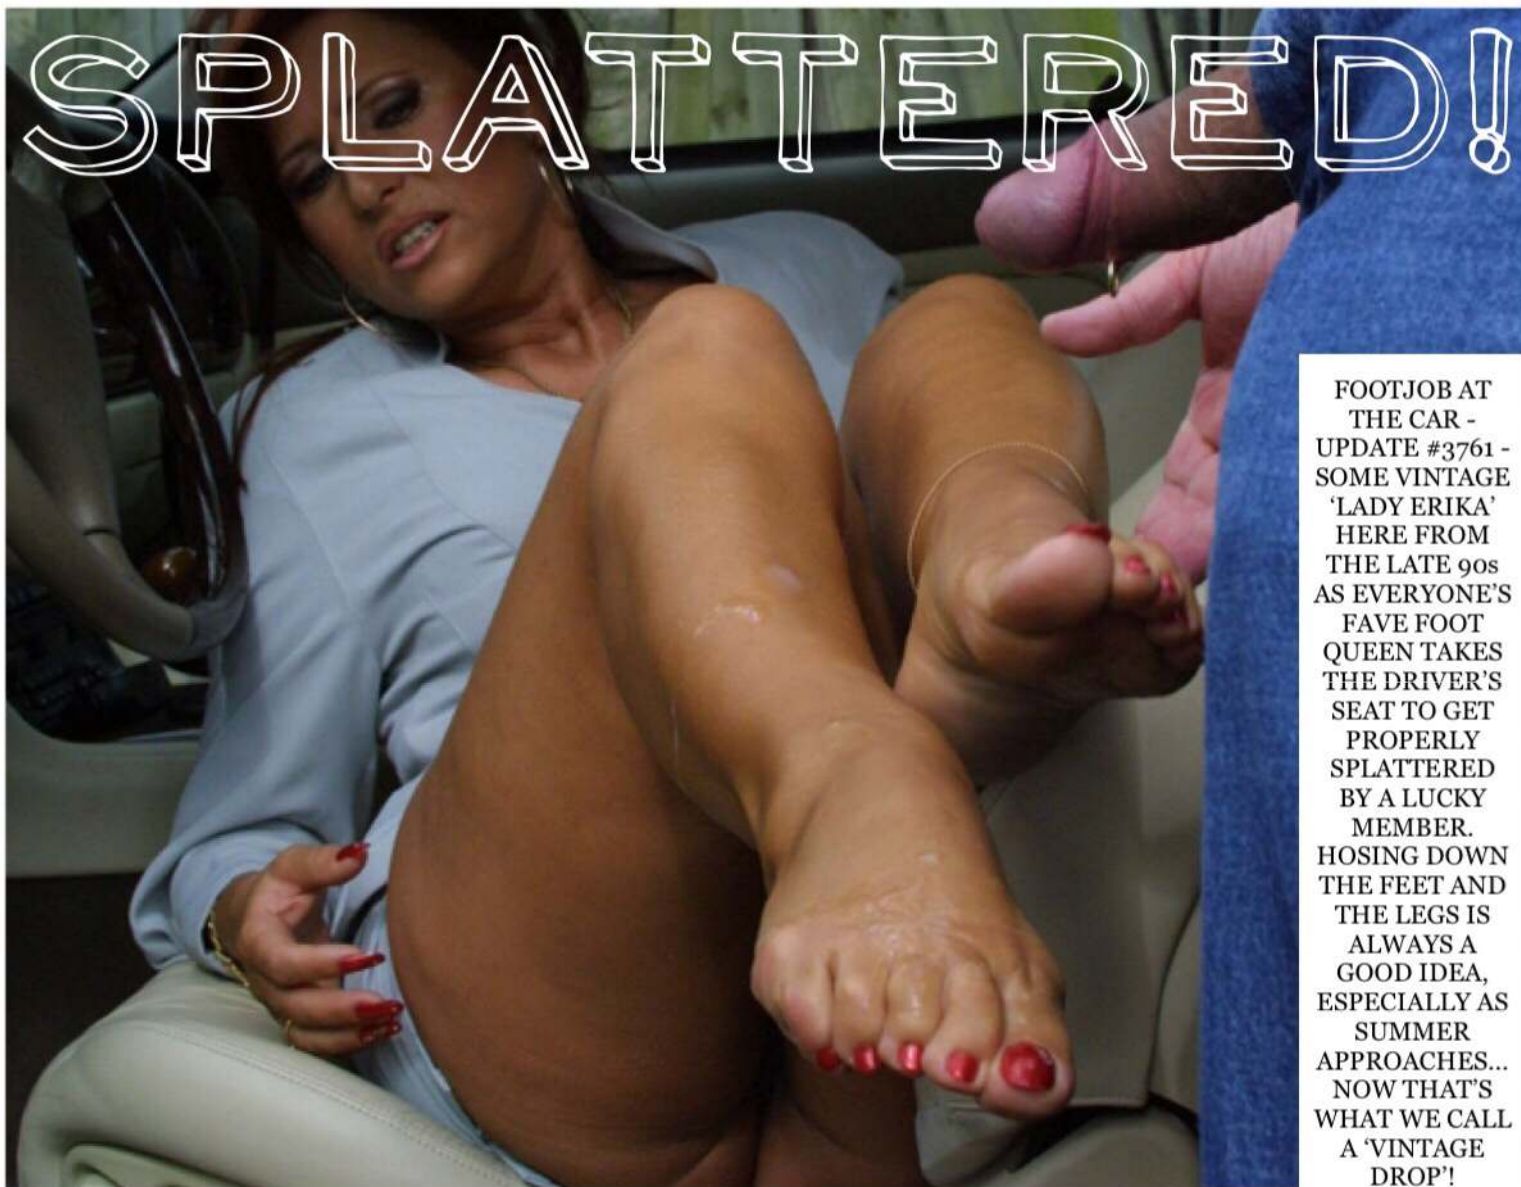

We hope you enjoy the issue. Leave your comments and feedback in the chat room online and make sure to drop an email to [lady.b@legsworld.info](mailto:lady.b@legsworld.info) to let her know how much she is appreciated, because without her this world would be pretty awful wouldn't it?

All the best,

MuleMan

FUCKING TOES WHILE I SLEEP - UPDATE #5206 - COME ON, HOW COULD WE NOT INCLUDE THIS? A BEDROOM INTRUDER SERVES UP A HUGE HELPING OF CREAM ON THOSE LITTLE STRAWBERRY TOES. NOW HE JUST NEEDS TO PREPARE THE OTHER ONE... IF HE'S GOT ANYTHING LEFT IN THOSE BALLS!

MASSAGEDATE - UPDATE #3527 - AFTER A SUCCESSFUL MASSAGE, LADY B OBEDIENTLY HOLDS UP HER EXQUISITE FUCK FEET LIKE THE GOOD SLUT THAT SHE IS TO RECEIVE A WELL-NEEDED SPUNK SOAKING. THAT BIG COCK LOOKS TIRED AFTER WORKING ON THOSE SOLES. MAYBE SHE COULD LET IT RELAX IN HER MOUTH? AS SOON AS HE'S CLEANED UP THOSE FEET, OF COURSE...

# A DAY IN BOUTIQUE B

HEELS, EVENING WEAR, NIGHTWEAR, NEGLEEES & ACCESSORIES

When I arrive at Boutique B, Lady B is already there - reclining on the leather sofa in the Heel Studio. "We've just had a delivery of new pantyhose", she tells me, "So I have been testing it out". Her big, round ass and shapely pins look as incredible as always in the soft nylon and I can see her pussy is moist and soaking the fabric. "Good girl Barbara", I say, opening my laptop and taking a seat to handle the morning's business while she tries on a few styles. I watch her peel them off when she is happy with them, displaying her naked, tanned legs, and she tries them on with various different pairs of stilettos. After a short while, I pull my erect cock out and begin to jerk it while I watch her, eventually walking over to spray my hot seed all over her, covering her in cum and leaving her laying on the sofa.

There are numerous pairs of new heels to go through too. So we make a start on those once she has cleaned up. This is an important part of my job, so I place her little size 5 feet into my lap and carefully help her change into pair after pair of high, slutty shoes while she admires them from different angles to decide which ones she wants to stock in the shop. It's exhausting work, as I have to 'cock test' every pair - pushing my dick deep into the toe of them and battering them vigorously with my hard erection to ensure they can withstand heavy shoe sex sessions. We only accept the very best for our customers here at Boutique B.

It's time for Lady B's regular ass and pussy inspection. She willingly undresses and climbs onto the examination table, holding her feet in the 'high heel' position as I probe and play with all her holes to make sure they are in fine condition and good working order. She opens her ass for me with manicured fingers and as I go to work on her she leaks buckets all over the table - a great sign. When I am satisfied, I lower my head and pull her bum cheeks apart to have a good munch down on her. I've been too busy to eat today so this will have to do.

After lunch, Lady B has a client booking with one of our regulars who often comes in to fuck her legs. He is in a horny frenzy as he enters the store and drops to his knees to legfuck her in front of all the customers - using her like a sex toy to unload a huge cum blast which covers her peep toe heels and leaves a large mess the shop floor. We get one of the girls to clean up, then Lady B and I retire to the back to continue our important work.

Her slut feet naturally reach out to accept my cock between them and the soft soles close perfectly and instinctively around my hard shaft. I stick my tongue deep into her body and masturbate her clit as I pump them. "Give them your cum," she moans, "They need it." She's SUCH a demanding boss sometimes!

# PEDI PROBLEM CORNER

LADY B wants to help people. Look how she holds her feet up, putting them together and arching the soles so that they're in the perfect position for fucking and spunking over. If that's not helpful, we don't know what is.

She also wants to answer your problems each month. So if you have an issue you can't squirt into a tissue, email Lady.B@Legsworld.info to have it solved by your Goddess. She's too good to us...

Dear Lady B,  
I am totally addicted to your and your perfect nylon soles. You are so fucking sexy that I have to cum about 5-6 a day thinking about you. My balls ache and my cock is sore from jerking over you constantly. What can I do? You drain me of cum every day. Please help,  
Frank

Hello Frank,  
I do not see what the problem is. All your cum is for me, so are your balls and so is your cock. You *should* be jerking off over me constantly. Why do you think I spend so much time and money on my feet and toes? It's so they can be worshipped non-stop by slaves like you. You should purchase a cock ring to enable yourself to jerk for longer and stop being such a wimp.  
Now go!  
Kiss, Barbara

Dear Sexy Barbara,  
Last week at work I was looking at your site online. I wasn't wanking but I had a large erection in my trousers and a female colleague unexpectedly walked in on me. I immediately closed your site but while I was talking to her, I could tell that she noticed my large stalk. Now she thinks I am attracted to her and is always asking me out for coffee but I don't want to go. She doesn't even wear heels.  
What can I do?  
Antonio

Antonio,  
First of all, I am disappointed that you were looking at my website and not wanking, but I suppose I can forgive you because you were at work. As for your problem with your female colleague it is simple - tell her that you are already taken. Which you are, you are my slave and devoted to me. Hopefully she won't ask any questions but if she does, you're on your own.  
Kiss, Barbara

Oops! Be careful in those stripper heels! Babs takes a tumble, probably slipping in her own pussy juice... Anyway who cares, it's a perfect position for us.

# EXXXPOSED...

SHE'S GOT IT, SHE FLAUNTS IT, SHE WANTS YOU TO WANK ON IT.

Now THIS is one bad bitch. And we mean that in the best possible sense. And the bad sense. And in the filthy, dirty sense...

She wants you to inspect that ass before she goes out shopping with the girls. And by 'inspect', she means, 'cum all over'. (Probably.)

Open for business. Will you be a customer? No need for knickers at all when your pussy looks this good, but it's OK because they're around her knees - best place for all she. Properly exposed, all she needs now is a cock in each hand.

# SLUTTY HEEL CLEANING

YOUR TONGUE AND COCK WERE MADE TO CLEAN LADY B'S HEEL COLLECTION. GET TO WORK.

## In the next issue of **B MAGAZINE**

THE ONLY MAGAZINE DEVOTED TO THE WORLD'S #1 FOOT AND HEEL GODDESS LADY BARBARA

No doubt you've jerked yourself dry to this issue, but don't worry. You've got another full month to build up your balls again until we return next time with more SPLATTERED, more BOUTIQUE B - basically (cum) buckets more breathtaking B sexiness.

As always, drop a line in the LEGSWORLD chat room if you want to let us know what you like and dislike and email Lady B with all your PEDI PROBLEMS. She likes to answer her slaves while she gets her toes done.

Until next time, enjoy June, enjoy the magazine and most of all, enjoy Lady B.

After all, that's what she's here for...
