## EDITORIAL

The end of the year edges ever closer as I invite you to edge your way through another issue of B MAGAZINE.

With Halloween at the end of this month, we've gone for a bit of a "darker" vibe with a couple of our photo and feature choices this time around, so we hope you like the dark side of Barbara... In the month that's made for horror films, trust me it gets very, very X-rated over the coming pages. Be warned. Or, dare I say, "be horned".

As always, we love hearing your feedback on the magazine (horrifying or not) so don't hesitate to email us with that, or anything else B-related. If we get enough "cum tribute" photos sent to us maybe could start a new feature. What do you think? Do you want to appear in B's favourite monthly magazine showing her exactly what she means to you? Check out the magazine email on the Contents page and start whacking, snapping and sending away.

Anyway, I'll leave you to it. Enjoy.

# BOUTIQUE B

HEELS, EVENING WEAR, NIGHTWEAR, NEGLIGEE & ACCESSORIES

After her summer break, Lady B is back in business. Slipping into her highest heels, moistening her lips (both sets) and getting ready to be adored, sucked, wanked over and worshipped, just as she should be.

It's another day in Boutique B!

It's first thing in the morning and Lady B is leading a naked slave around like a dog as he hungrily slurps at her heels. She flashes me a look as I arrive and I can tell she is ready to get back to her job of teasing and pleasing in the world's greatest shop.

After the slave gets permission, he shoots a long-awaited load over her black platform heels and then licks them clean so she can totter off with wet toes to get ready for her next client...

Once slipped into some fine stockings and delicate mules, she grips a businessman's erection and wanks it off quickly over her exposed ass. Just when he is about to blow, he grabs hold of her stockinged feet and empties himself into her open, designer shoe. Wiping off his dripping tip up and down her legs, he goes back to his office very well relaxed. A lot of executives enjoy using Barbara as a high-class sex toy and find that a trip to Boutique B can be a great stress reliever.

After unloading two men, Lady B greets a greedy foot sucker who lays on the floor in the heel studio to devour her toes while gazing up at her. As she works her slutty foot deep into his mouth, he becomes harder and harder until he pumps his cum all over himself and leaves the shop an embarrassed but satisfied customer...

With a fully-booked schedule ahead, Lady B takes a well deserved rest. I also take a break from doing some paperwork to play with her body as she naps. Even with her mask on she instinctively grabs for my rod, jerking me off effortlessly while I play with her tits and nipples. Free access to Barbara is one of the perks of the job!

# LADY BARBARA THE WANKETZ'S HANDBOOK NIGHTTIME INSPECTION

TO ENSURE SHE IS ALWAYS READY TO PERFORM HER DUTIES, LADY B NEEDS TO UNDERGO REGULAR INSPECTIONS.

TO ASSESS HER SQUIZING QUALITIES, YOU MUST STAND HER UP AND DELVE DEEP INTO HER. IF SHE WOBBLER ON HER HEELS YOU MAY USE A THUMB IN HER ASSHOLE TO STEADY HER.

HER BOOBS AND NIPPLES ARE CHECKED, SQUEEZED AND PINCHED TO ENSURE SHE CAN PROPERLY FUNCTION AS A LIVING SEX DOLL

\*HER PUSSY IS JUDGED FOR APPEARANCE, SIZE AND TASTE

OPEN HER UP WIDE TO JUDGE HER COCK-TAKING ABILITY.

WHEN SATISFIED, PLACE YOUR COCK INSIDE HER RED MOUTH AND EMPTY YOURSELF, LEAVING HER READY FOR THE NEXT USER.

She needs something between her feet and something in her ass. Fuck her soles then spray the cheeks...

B opens wide for another one of her regular inspections... Wet as always, the horniest heel slut prepares to be eaten out and sucked until she begs for mercy.

In the garden and everything looks great, especially the pussy. Just take out the tits B and we'll hose you down.
