Creating this magazine has been a long time coming, and very time consuming, but every hour spent putting it together has been a pleasure. We hope you have as much fun reading it as we did making it. We're pretty sure you will...

It's an honour to be able to say that Lady B herself has personally approved the launch of this magazine. Overseeing all it's content before production and having complete editorial control. So you'll be pleased to know that you have full permission to officially jerk yourself dry to absolutely everything in these pages. Working closely with the Goddess on this project has been a dream come true. I hope I get to fulfil many more dreams with her yet.

Please let us know what you think of the mag in the Legsworld chat room or by emailing Lady.B@legsworld.info. We'd love to hear your feedback and ideas.

A DAY IN...

BOUTIQUE B

HEELS, EVENING WEAR, NIGHTWEAR, NEGLIGENCE & ACCESSORIES

In Lady B's exclusive fantasy high heel fetish boutique in Germany the work never stops. Luckily, that work mainly involves A LOT of foot sex and cum. Whip out your cock, prepare for some 'retail therapy' and join us for a brief look at a typical day in the life of Boutique B...

I arrive at Boutique B early, bleary-eyed and exhausted, with my poor cock hanging limp in my pants after 'testing' a huge delivery of high, jewelled designer heels with Lady B the previous night. I must've battered her little feet through 20 pairs of new shoes, completely soaking them in cum, until I was pleased that they had all passed my vigorous testing procedure. When I unlock the store and walk into the Heel Studio, I'm surprised to find Lady B still here. Sitting on a sofa waiting for me, she wears nothing but lace gloves, pale blue peep-toe pumps and pantyhose, with exposed breasts strapped up in black rubber bands. "I spent all night cleaning your cum off my feet", she laughs. 'So I thought I would stay and get myself pretty again for another hard day working with your hard cock'. I would feel bad for her, but I know how much she loves it.

Without saying a word I approach her, kiss her heels reverently and then remove them, making sure to inhale the heavenly odour of her nylon feet. I throw the shoes to one side, rip off her new, fresh pantyhose, throw her back on the sofa and begin fucking her naked feet. She squeals with pleasure as my rock-like shaft punishes her soft little soles as I batter them at a frantic speed, soon spraying my first cum explosion of the day all over her toes and tits.

With such a huge workload in the Boutique, starting each day like this helps to keep me motivated. "You better go and clean yourself up again", I say to her. 'You have a mule job booked in with a member first thing this morning'. Obediently, Lady B pads away on cum-covered feet to take yet another shower.

I spend the morning counting stock, 'training' new shop girls and helping visiting members. Around lunchtime, I head to my office to work on some new ideas and find Lady B reclining on my sofa, dressed in a fresh uniform of nylons and gloves and freshly showered (again...) after her morning member mule session.

'He wasn't so good', she says, sounding a bit depressed. 'He didn't blast my feet like you do. It was only a few drops...'

'Don't worry', I say. 'I can use you now as it happens', as I sit down on the sofa with her and clasp her world famous feet around my erect cock and begin to work. Having her constantly wrapped around my manhood inspires me, and Lady B makes some valuable contributions to my ideas too as she casually and slowly strokes her feet up and down my erection as I play with her nipples and pussy to keep her wet and ready.

The store is as busy as ever and many staff interrupt us as we work, gawping with awe at my throbbing, dripping rod grasped between her breathtaking feet. When my pre-cum starts to overflow, Lady B softly places her lips on the tip of my helmet and sucks it all up in a quick, professional movement and flick of the tongue. 'That is all the lunch I need', she says. 'I think you have worked enough for now. Would you like something to eat too?'

She pulls off her pantyhose and gets on all fours, pushing her face into the sofa and her willing ass and pussy high into the air. I munch away on her to my heart's content and she moans and groans as I stick my tongue as deep into her as humanly possible. To finish, I glaze a hot load all over her ass, rub it all over her cheeks and up and down the smooth crack. Then lick it all off to a high gloss finish.

We take the rest of the day off and I lock my office door to devote my time to making Lady B's pussy gush over and over again until she is exhausted and shaking. When we're both fully empty of cum, we decide to clean up and go for dinner. Business is booming for Boutique B, and every week gets bigger and bigger. So every day we have something to celebrate.

As I'm closing up the store, Lady B appears dressed in a stylish blue suit and barely-there blue heels. 'I will go and wait for you outside', she says and I nod, asking her to expose her cleavage a little more and give me a glimpse of her sweet, bald pussy before she totters out.

By the time I get outside, Lady B is doing what she does best - struggling to stay on her heels and jerking off the hard cock of a random Legsworld member. 'Barbara!' I laugh, 'You just can't help yourself can you?'

As the lucky member squeezes a handful of bare tit and ejaculates I watch the look of unparalleled ecstasy on his face. 'Just another regular day in Boutique B', I think...

HAP-B HOLIDAYS

As you would expect, Lady B spends a lot of time travelling the world, on trips paid for by devoted Legsworld members.

Hey, if you can't go away on holiday at least you can donate some money so your Goddess can. What do you get out of it? Nothing. Except the knowledge that somewhere out there the World's Greatest Foot Slut is erecting cocks by walking around in slutty heels, reclining by a pool exposing her sublime body and getting vigorously fucked, all on your dime.

Wish you were here?

A woman with blonde hair, wearing a blue bikini top and black stockings, is sitting on a lounge chair on a cruise ship deck. She is looking towards the camera. In the background, there is a large white ship with the word "ELLENT" visible on its side. A glass of champagne is on a table next to her.

Lady B relaxes on a cruise trip. Soon after this photo was taken, she was approached by the ship's captain, who wanted to thank her for her presence on his vessel by dropping a heavy anchor of cum all over her red, stockings toes.

A woman with blonde hair, wearing a large straw hat, sunglasses, and a black lace negligee, is posing on a balcony. She is looking towards the camera. The background shows a clear blue sky and a body of water.

Each morning while on holiday Lady B keeps her big tits barely covered by a thin negligee. This allows them to be easily groped and fucked with little effort.

A close-up shot of a woman's feet wearing red high-heeled sandals. The sandals have the word "HEELS" written on the side. The woman is sitting on a wooden deck. In the background, there is a body of water and some buildings.

The hot weather allows Lady B to keep her golden body nude at all times, which is her preferred state of dress. As a member of Legsworld, if you see her like this while abroad, feel free to approach her and rub a special helping of your own 'sun lotion' into her feet and legs. She'll thank you for it...

Lady B never knows who she might meet while abroad, so she keeps her mouth and toes red at all times to advertise the fact she is always ready to be used as a fuck-toy.

Lady B takes a suitcase full of sexy high heels and mules on holiday. Unfortunately most of them never return with her, as they are splattered with cum and fucked to breaking point, with most of them left discarded on the floor where they were used.

While on holiday Lady B looks for a local young boy with a huge cock to serve her drinks and cool her hot feet with litres of fresh spunk.

On vacation Lady B likes to wear short mini-skirts and bikini panties, to enable easy, 24 hour access to her ass and pussy for breakfast, lunch and dinner.

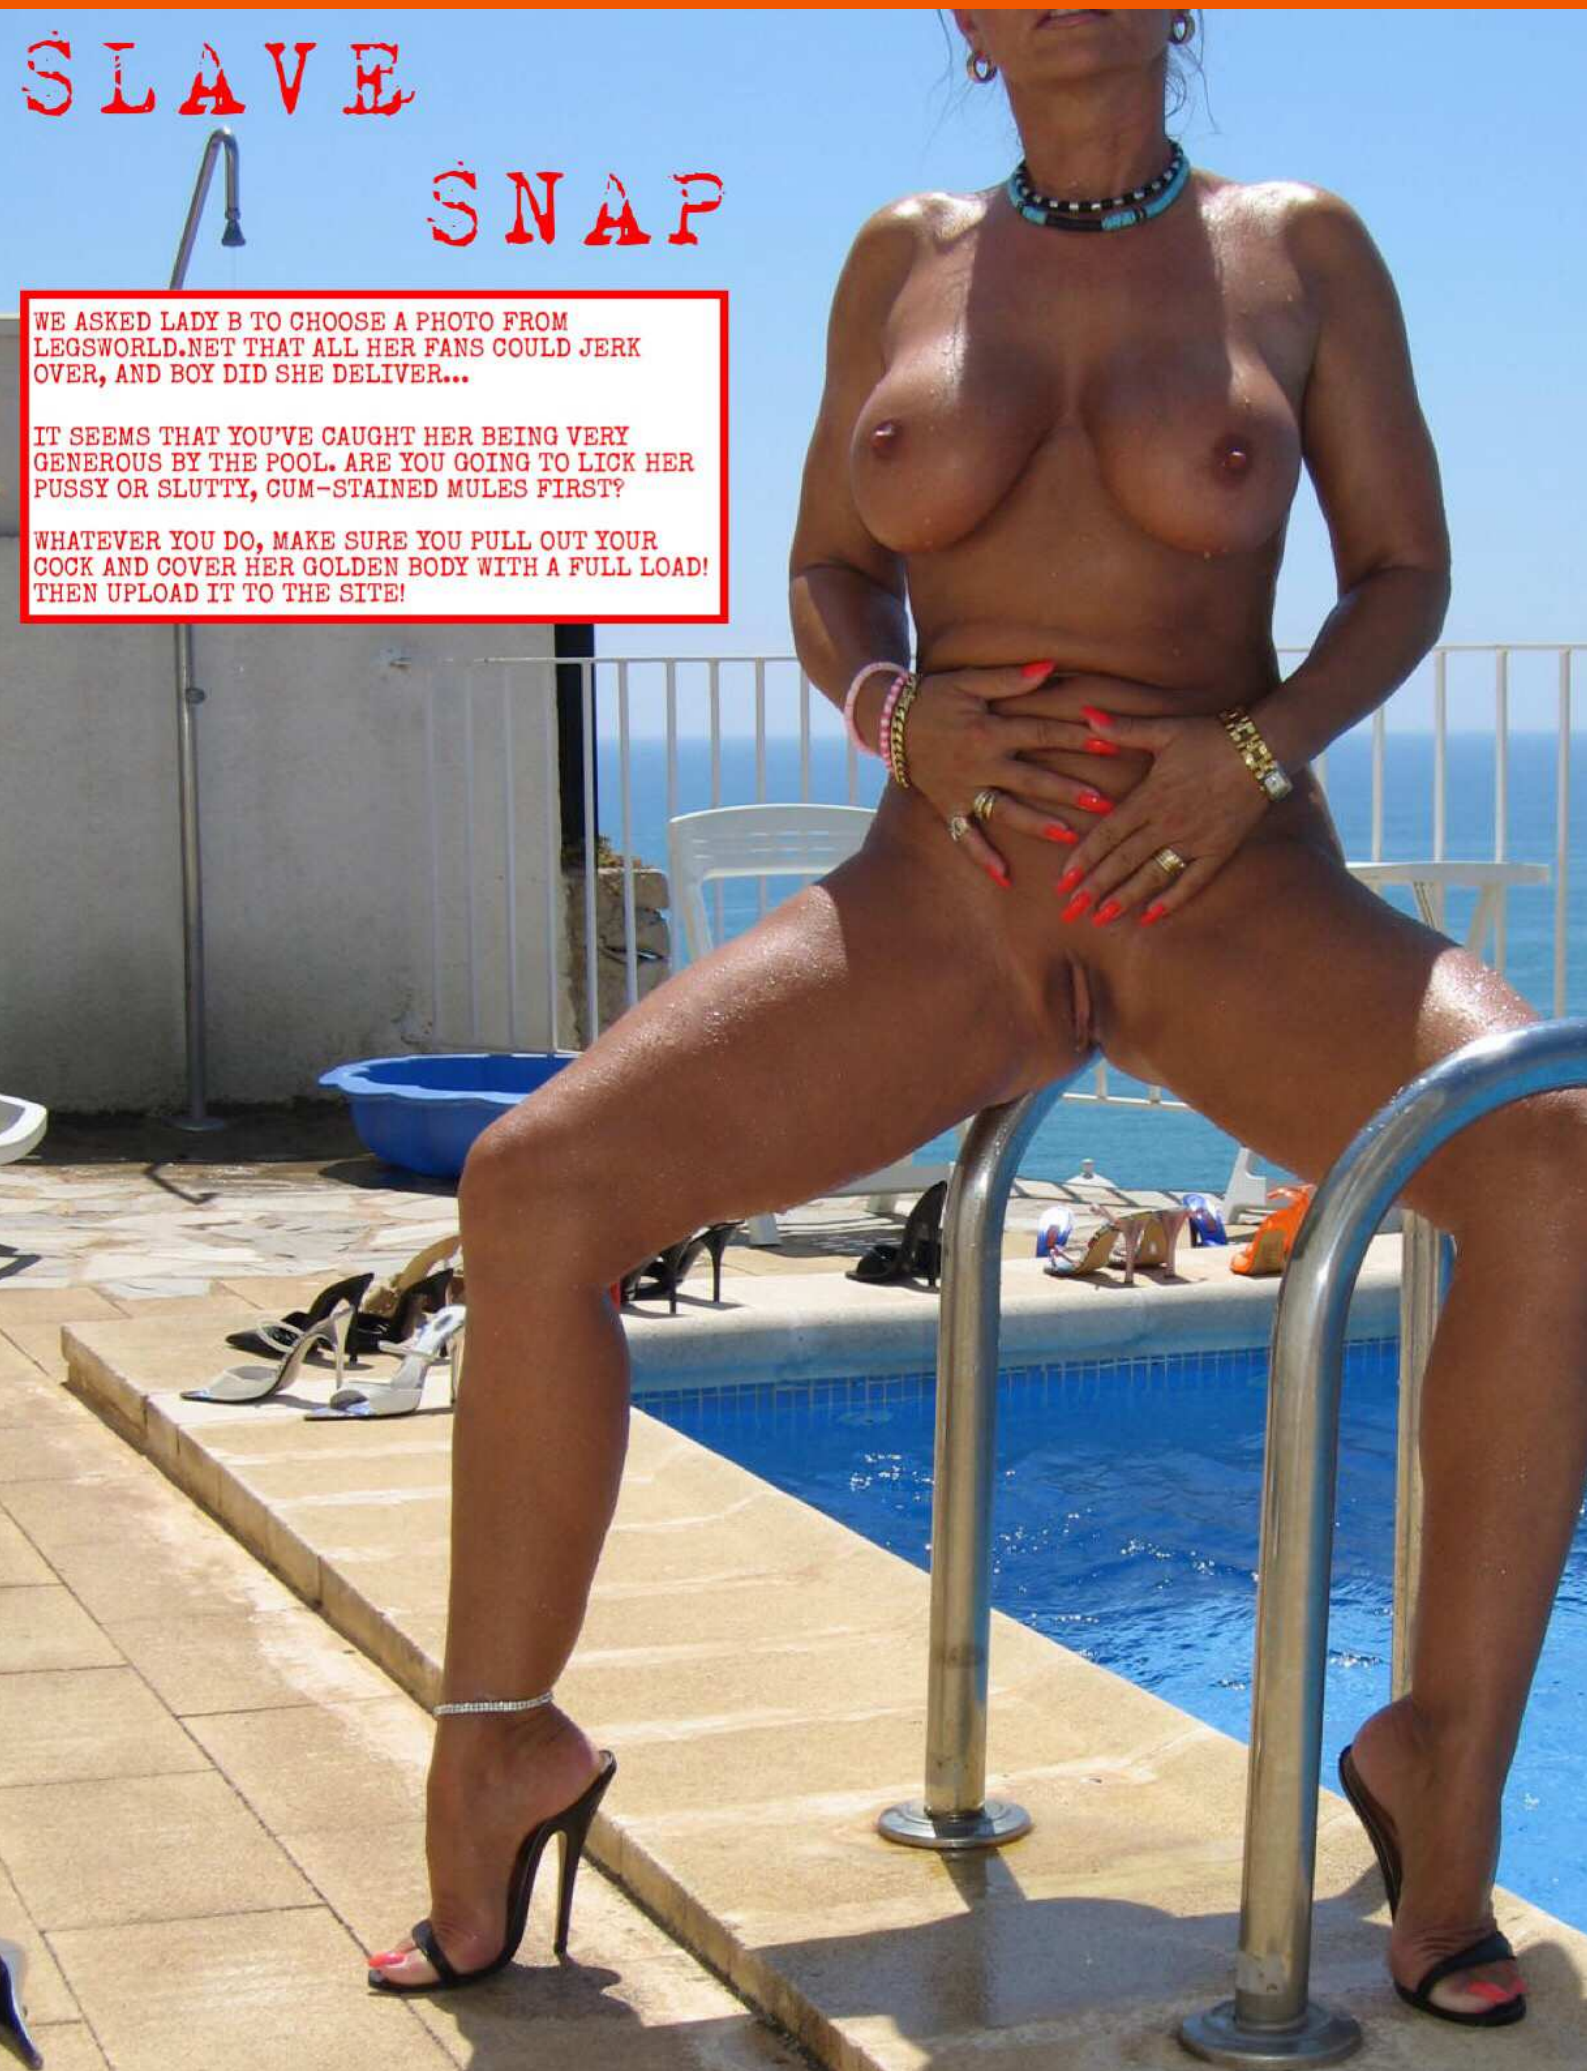

SLAVE

SNAP

WE ASKED LADY B TO CHOOSE A PHOTO FROM LEGSWORLD.NET THAT ALL HER FANS COULD JERK OVER, AND BOY DID SHE DELIVER...

IT SEEMS THAT YOU'VE CAUGHT HER BEING VERY GENEROUS BY THE POOL. ARE YOU GOING TO LICK HER PUSSY OR SLUTTY, CUM-STAINED MULES FIRST?

WHATEVER YOU DO, MAKE SURE YOU PULL OUT YOUR COCK AND COVER HER GOLDEN BODY WITH A FULL LOAD! THEN UPLOAD IT TO THE SITE!

PEDI PROBLEM CORNER

You've got all the problems, Goddess Lady B has all the answers. Relaxing after her regular pedicure and a hot foot-sex session, Barbara hears emails from troubled fans and provides the only advice you'll ever need... If you have a problem that you need help with, email Lady.B@legsworld.info for a chance to appear in the next issue.

Dear Goddess B,
Recently I have been very depressed. I lost my job and have been unable to find another, and I seem to be trapped in a vicious circle where everything is getting worse and worse. Can you give me some advice to help me pull myself out this hole and get motivated?
Yours with thanks,
Big Fan John

Hello John,
How will you ever get the chance to fuck my feet if you have no job and no money? I need as many big, hard cocks between my soft soles as possible, so you need to man up, get out there and start earning some money for me! Whenever you feel down, I demand that you pull out your cock and go straight to Legsworld. You need to dream about my feet at all times if you want success. Look at me in the photo below. Wouldn't you like to explode all over me? That is what you should be working towards in this life. Don't let me down, I need as many slave cocks spraying all over me as I can!

Kisses, Barbara x

Dear Goddess B,
I have a big foot fetish addiction and spend a lot of time worshipping you on Legsworld.net. However, when I leave the house after a long session I can't take my eyes off other women's sexy feet and heels. I feel like I am going crazy and have to rush home again to beat a huge, white load over your photos. Please help.
Thanks, Karl

Well Karl,
You may have a big foot fetish addiction but I don't think you are taking your Lady B addiction seriously enough if you are going crazy about other women's feet and heels. My feet are the only objects you should be worshipping, as I have had them specially trained them purely to entertain the cocks of my slaves. Below I have provided a photo of me opening my soles to you in slutty red mules. Which other woman is so expert at welcoming the cock into her heels? I don't think there are any. Maybe one day you will see me on the street? And I will stand on my toes like this to you can fill my shoes up in public.

Kisses, Barbara x

Dear Goddess B,
It is my lifelong ambition to be your personal heel boy,
cleaning your shoes each morning and evening with my
tongue and getting your feet ready and well presented for
fucking. What I most want to do though, is suck your
husband's cum from your toes. If I become a Legsworld
member, can I do this?

Kind regards,
Ivan

Hello Ivan,
Of course you can! It is a shame you were not here earlier,
as my husband squirted a huge load into my toe cleavage
and ruined my new party heels. I think your tongue would
have done a good job on this...

Kisses, Barbara x

Dear Goddess B,
I'm trying to get my girlfriend interested in my high heel and
foot fetish but am finding it difficult. Do you have any advice
on how to turn her on to my passion so we can both enjoy it?
Please help,
Robert

Hello Robert,
First of all, you cannot force your girlfriend to do anything.
She must come around to it of her own free will. With that
said, you should buy her some high, golden mules and show
her the photo below that I took at a recent foot-battering
session.
Surely she will appreciate how my feet and heels take control
of the cock and the sharp heels dig into the cum-filled
scrotum? I get so much enjoyment emptying pathetic balls
over my trophy feet, I think she will too, in time.

Kisses, Barbara x

Dear Goddess B,
I dream of having you as my high-heeled, Polish sex victim.
Tied up and naked, wearing only mules, in my house for me
to use all the time and spray my cum over. I think about this
all the time. I just want to pull you around and play with you
and use you as a cum bucket 24/7, and have my friends use
you too. So that you are completely soaked in many different
types of cum. What can I do to get this thought out my head?

Yours in desperation,
Frank

Oh Frank...

You should not try to get this thought out of your head, you
should keep it. I love to be used like a Polish cum slut. Look
at the photo below. Is this how you want me? Blindfolded,
bent over and naked except for my slutty, cock-loving mules?

What would you do first? Start at my feet? Or ram your
tongue straight into my ass? Perhaps you would lay me
down on the coffee table and have all your boys jerk over my
perfect, exposed body one by one? I would like that... Or
maybe one could shoot his cum all over my ass while one
fucks me in the mouth and another two suck at my painted
toes? I like to be pulled about like a sex toy by multiple men,
emptying their hard, dripping cocks out all over me.

I hope that helps...

Kisses, Barbara x

HEEL CLEANING

LADY B HAS DIRTY HEELS. SHE NEEDS YOU TO CLEAN THEM.

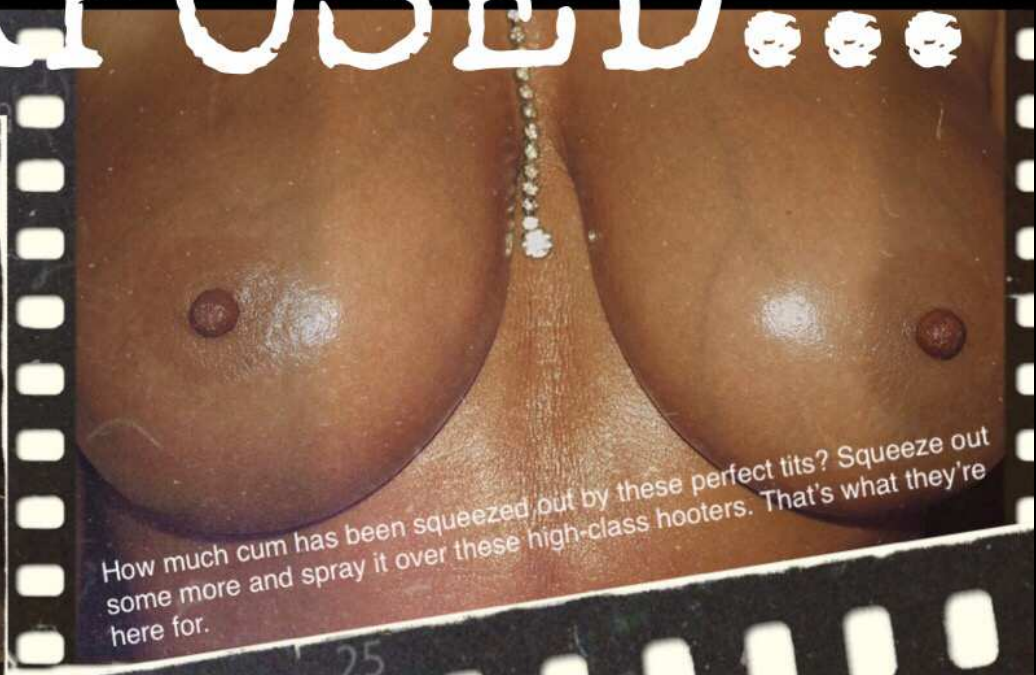

EXXPOSED

It's hard work to pull off this position in high, thin heels but we know Lady B is a pro slut. It's time for bar snacks. Tuck in...

After along day doing Legsworld business, Lady B needs her pussy cleaned. Suck it, lick it, nibble it, drink her dry...

How much cum has been squeezed out by these perfect tits? Squeeze out some more and spray it over these high-class hooters. That's what they're here for.

Right before bed, Lady B stands on the stairs and opens her ass for you. Eat a few mouthfuls, grab her by the tits and send her to the sack covered in spunk. That's your job, slave.

IN THE NEXT ISSUE...

In the next issue we'll have more of everything you love. Which is to say, more of the luxurious Lady B, more SPLATTERED!, more photo stories and more fantasyland fetish fun inspired by the pages of Legsworld.net. All of it put together under the watchful gaze of the Goddess. Visit the site for much more and to comment on the magazine, talk with us and give us your feedback in the chat room.

See you next time! Oh, Lady B asks for one last thing before you go. Stick your cock into this mule...
