EDITORIAL

OK let's get one thing clear. You can tell by my name I'm a huge fan of mules but I didn't make this issue for myself. Honestly.

When I was thinking about putting this month's magazine together it just made sense as it was March, to use the "M" month as the perfect excuse to celebrate everyone's favourite fuckable heel. It just seemed to go hand-in-hand. Or, "cock-in-mule", if you will.

In these pages we've got our second exclusive interview with the Goddess, where she talks about her love of mules and what she loves about having a big, hard dick stuffed into them. As well as some of the greatest and horniest mules photos ever seen on Legsworld and, frankly, ever known to man.

We're also happy to include our first piece of "fan art", that you can see on the back page. So big thanks to the creator of that, you know who you are... If you'd like to create something for inclusion in the magazine please email it to me at the address below or directly to our Editor-In-Heels Lady B at Lady.B@Legsworld.info with the subject heading, "B MAGAZINE FAN ART".

So I hope you enjoy the issue. It will make me feel a little less guilty about making it all about my favourite thing. Don't worry though, there are more themed issues on the way. Let us know what you want to see.

SPLATTERED!

WITH MULES ON THERE'S MORE FEET AND TOES TO CUM ON...

SEXY TOES IN MULES - UPDATE #4271 - LADY B LOVES HAVING HER TOES GLUED TOGETHER WITH SPERM. HERE THEY ARE LEFT SWIMMING IN THE STUFF AS HER BRONZED LITTLE FEET DRIP AFTER RECEIVING A FULL BAG'S WORTH. SHE'S GOT MORE COCKS TO PLEASE SO THERE'S NO TIME TO CLEAN IT UP! SHE'LL HAVE TO WALK IN IT ALL NIGHT. OH WELL, MAY AS WELL ADD TO IT...

MULES FUCKER MARKUS - UPDATE #4510 - FIRST HE HAD TO KISS THE FEET, BEFORE TAKING HIS COCK OUT AND RUBBING IT BETWEEN THE SOFT, STOCKINGED FOOT SOLES AND MULES THEN BLASTING A HEAVY LOAD UP HER. BETTER PEEL THOSE WET THINGS OFF SO HE CAN FUCK YOUR NAKED LEGS.

AFTER I SHOWED HIM THE GARDEN - UPDATE #4801 - B STRUGGLES TO CONTAIN HER TITS WHILE PLAYING WITH HERSELF AS HER GUEST FINISHES PLAYING WITH HER FEET.

GODDESS LADY BARBARA

2. IN PREPARATION, INSTRUCT HER TO LIFT UP HER SLUTTY FOOT AND FEED YOUR COCK INTO THE OPEN GAP BETWEEN SHOE AND SOFT FOOT SOLE. ENSURE THAT YOU PUSH IT IN AS DEEP AS IT WILL GO. SHE LOVES THE FEELING OF COCK IN HER HEELS.

4. SLAP HER FEET WITH YOUR HARD COCK AND USE THEM AS YOU WISH FOR THAT IS THEIR PURPOSE.

5. FINALLY, WHEN FINISHED, PUMP A LARGE LOAD INTO HER OPEN MULES PUSSY. THEN SEND HER AWAY WITH YOUR CUM OOZING FROM HER SHOES...

LADY B

THE MULES INTERVIEW

Most of us love a high pair of mules. But what we love more is a high pair of mules with Lady B's perfect little feet and toes squeezed into them - perfectly presenting them for a good fucking from all angles.

Lady B recently took some time for B MAGAZINE to talk about her love for the seriously slutty heels and exactly what she likes to do in them and with them... Enjoy.

MuleMan

MM: When did you first get into wearing mules?

LADY B: When I was 13 or 14.

MM: Wow. No wonder you have such a high arch. What is it that you like about them?

LADY B: They are easy to put on and take off.

MM: I imagine that must be important for you, given how busy you are. So do you wear them a lot?

LADY B: In summer often, at home every day.

MM: So are you wearing them right now?

LADY B: Yes.

MM: That's good to know. Do you wear them outside the house too?

LADY B

THE MULES INTERVIEW

**“MAKE SURE
YOUR DICK IS
HARD. I WANT
TO FEEL IT
PUSHING
DOWN TO MY
TOES.”**

LADY B: Yes, of course.

MM: How many pairs do you have?

LADY B: About 50 or so.

MM: Do you have a favourite pair?

LADY B: No. It depends where I am wearing them.

MM: What about a favourite mule designer?

LADY B: I have a favourite shoemaker - Gianmarco Lorenzi. Anyone who wants to buy me a pair can email me!

MM: I suppose a lot of men find it hard to take their eyes off you when you go out in them.

LADY B: Yes, I like it. To see them stare at my mules and polished toes.

MM: I'm sure they like it too. They probably rush home to jerk off thinking about you in them. How many men have been lucky enough to fuck your feet and squirt into your "mules pussy"?

LADY B: It's hard to say... I think about 50, 60.

MM: That's a lot of mule fucking. What do you like about the feeling of a big dick between your mule and foot sole?

“HE CAN HAVE THE BIGGEST AND HARDEST DICK IN THE WORLD BUT WHEN I PRESS MY FOOT DOWN ON IT, HE HAS NO CHANCE.”

LADY B: I love the feeling of power. He can have the biggest and hardest dick in the world but when I press my foot down on it, he has no chance.

MM: Can you remember your favourite mule fuck?

LADY B: Not really... I remember when guys press their nose between my buttocks while fucking my mules, grabbing my boobs and pulling on my nipples. I like a big and very hard dick I can feel all the way down to my toes.

MM: Well I'm sure many of our readers could help you with that... Finally, I have to ask the world's best foot fetish goddess whether she has any advice for B MAGAZINE readers on how to give a perfect mules fuck?

LADY B: Just make sure your dick is hard. I want to feel it pushing to my toes.

BOUTIQUE B

HEELS, EVENING WEAR, NIGHTWEAR, NEGLIGEE & ACCESSORIES

Welcome back to the world's horniest boutique, where foot fans from all over the world gather to browse and buy the sexiest heels and clothing and enjoy hot, one-on-one fetish sex sessions with owner and operator LADY B. While she might be too busy with her clients to do much operating on the shop floor herself, she definitely knows how to operate a cock - which is the main thing. So join us as we step back inside Boutique B!

After changing her cum-soaked stockings she prepares for her 10am appointment with her first client of the day. She chooses a pair of expensive, jewelled mules and sits on a stool at the counter of the boutique waiting for him to arrive. Naturally, he doesn't keep the lady waiting and walks in at 10 sharp. She looks at him wordlessly, mule carelessly and rhythmically dangling from a bronzed foot and, before they can even make it to one of the special back rooms, he drops to his knees, taking her feet and shoes in his hands and kissing them all over. The few customers in the shop don't mind. They know how much the Goddess is worshipped. Soon though, they get more than they expect as the client can't control himself and whips out his crazed dick to splatter a huge cum tribute all over her toes that she sternly commands him to clean up. With his tongue of course...

Around lunchtime, Lady B decides to take a break and retires to the massage room, asking me to come with her. The work never stops at Boutique B of course, so I do as I am told. She strips down to nothing and lays face down on the massage bed and I oil her body up, paying special attention to her feet, legs, pussy and asshole as they get the most use. Well relaxed, she falls asleep and I take the opportunity to use her body as a wanking object - spraying a big jet of cum all over her while she is unawares. A little surprise for when she wakes up!

Ever the professional, Lady B is dressed for business when I walk into the boutique to start another day. Her shapely legs are encased in vintage black stockings and delicate little pearl-coloured mules with 14cm heel and red sole dangle precariously from her feet. Of course, I get immediately hard at the sight of her...

"They don't look like they could survive much fucking!" I joke as she turns to me. She raises her eyebrows. "You want to try?" She says, beckoning me over with a long, pink manicured fingernail.

She relaxes into her chair as I grab one of her smooth legs, unzip my fly to get out my large erection and slam it into her shoe, her curved little arch clasp around it as I start pumping away at her.

"These are new mules," she says, "Just delivered this morning. If they can take your cock I think they will be a good seller." I fuck both of them as best as I can - grabbing the heels, pushing my hard length right down to her toes and fucking her feet well to really give them a good testing. When I'm satisfied they are up to the job I empty a big load into them and leave her to continue her morning's work.

BOUTIQUE B

HEELS, EVENING WEAR, NIGHTWEAR, LINGERIE & ACCESSORIES

The rest of the day goes as usual - with a never-ending stream of men enjoying, eating and emptying their nutsacks over Lady B and her loving every minute of it. Pints of cum flood over her feet on a weekly basis here and she wouldn't have it any other way. It's what she was born to do. We close up the boutique and get ready for our evening sessions. We're usually working until the early hours and tonight will be no different. But before we welcome in the evening's clients, I decide to have a little fun myself. Sneaking up on Barbara while she is doing some rearranging in the Heel Studio, I poke at her feet with my cock, demanding entry. She squeals with surprise, then willingly lifts up her foot to allow me full access. I jerk for a few minutes while sticking my nose into her perfumed but crack, then ejaculate yet another load into her well-worn heels. Again, leaving her to continue her duties slipping around in a shoe full of spunk.

When I have finished the important task of helping one of our shop girls try on all the new lingerie, I stumble upon Lady B in a back room, jerking off the exposed penis of a client who is fully encased in a black bag. As he is unable to see what is happening, I pull on a condom and fuck Lady B's mouth as she brings him to orgasm.

Just as we are closing up for the night, a plain clothes police officer stops by, making enquiries about our business. It is always the same... They only want one thing though and Lady B happily obliges - stripping herself naked and wanking him off into one of her warm mules until he sprays over her tits. He won't bother us again. Just another day in the life of Boutique B!
